Our recommended cheeses for Burn's Night celebrations

Minger

A washed rind smelly cheese that is delightful on the palate. Oozy, nutty and decadently pungent and runny when ripe

Caboc

A little goes a long way with this butter like cream cheese, due to it's high fat content! Rolled in pinhead oatmeal

Morangie Brie

A classic style, rich and creamy Brie perfect for a Burn's night cheeseboard or baked in the oven

Isle of Mull

A hard cows milk cheese, cheddar like, with punchy flavours from the only dairy farm left on the Island.
